## President's Message

**General Meeting Minutes:** Starting with our next newsletter the General meeting minutes will be placed on our website, [www.estabrookcivicleague.org](http://www.estabrookcivicleague.org). We will also place some newsletters in the Little Free Library house when it is built.

**Yard Clean up** for the ECL building will be April 6, 9-11am. Bring your garden gloves and help your neighbors spruce up the property. We need young people to help us prune, rake and generally clean up the grounds.

**Civic League Tea** will be April 13 at the civic league building 10-1 pm. Bring your favorite tea cup. Light refreshments will be provided by Board members. This is an opportunity to get to know your neighbors in an informal, fun and friendly setting. All Estabrook and Coleman Place residents are welcome.

**Spring Bazaar** will be held May 4, 10-3pm at the ECL building. Come and support local artists and craft persons. Find that special, one of a kind gift for that Mother's or Father's Day. Vendors interested in selling their creations can rent a table for \$20. For more information contact Carolyn Foca 386-1160.

**School Donations** for Sherwood and Coleman Place Elementary Schools. There is a box at the civic league for donations and a list of needs for each grade. Bring school supplies to the civic league and we will take them to either Colman Place or Sherwood Elementary School. The civic league is donating \$100 to each school to help needy children go on school outings.

**Little Free Library** Bill Jackson and Ken Carney have accessed plans to create a Little Free Library for use outside the civic league building. The little house will be a place to provide free reading materials for children and adults. We already have donations from the community. Thanks. Also we can place our newsletter in the house so neighbors can come and pick up a copy.

### TIPS FOR POLLINATOR GARDENS by Jeanine Lindberg

Use local native plants when possible. They grow best here and attract pollinators that live here.

Select varieties of plants that bloom at different times of the season for consistent visitation of butterflies and bees in spring, summer and fall.

Group different kinds of plants in clusters to minimize insects' use of energy getting from one nectar source to another. Most butterflies prefer flowers in the purple/pink/blue range of color. Humming birds prefer red flowers.

A bare space of dirt or sand will encourage bees to make holes for nesting.

A shallow dish water will be appreciated for a safe, quick sip.

Avoid using pesticides in your yard and garden. Their effects last for days after application harming all insects that come in contact with this toxin.

### Donation to Coleman Place Elementary School

A big thank you to Coleman Place Elementary School's principal, Dr. Pam Tatem and Physical Education teacher Allison Makovec, for your words of thanks to the civic league (\$100 and school supplies) and Fred & Sandra Gallup (\$100 to the P.E. Dept.) for their donations to the school and P.E. Dept. They would love to have anyone that can give their time to reading to the children or to help with their Field Day in June. Contact the school office at 757-852-4641.

### GREEN NOTE by Jeanine Lindberg

**BUTTERFLY PLANT GIVE-AWAY SATURDAY, MAY 11, 2019.** By performing environmentally friendly tasks through the 2018 year, the Estabrook and Coleman Place civic leagues were awarded grant money to be used for environmentally friendly projects. One of those projects is to purchase butterfly and bee friendly plants for your yards and gardens. These flowers and plants will be given to Estabrook and Coleman Place residents for free. You may choose from a variety of pollinator favorites and hopefully take several kinds home with you to attract as many species of butterflies and bees as possible. Among the offerings will be milkweed, coneflowers, African basil, lavender, and salvia. Stop by the Estabrook Civic League building at 3612 Robin Hood Road the morning of Saturday, May 11 to choose your plants. By becoming a part of this project, you will help turn Estabrook and Coleman Place into butterfly and bee friendly neighborhoods. You'll be fascinated as you watch the butterflies feed, lay eggs, become caterpillars, turn into a chrysalis and become a new generation of butterflies. Most importantly, these little garden friends will be pollinating vegetables, flowers, herbs and fruits for us to eat and enjoy

### DELIVERY PEOPLE NEEDED FOR NEWSLETTER DISTRIBUTION

We are still in need of someone to deliver the newsletters to the 3500 block of Orange Street and Stefan and Jonathan Courts. If you live on Orange St. or the two courts or an Estabrook neighbor that just enjoys taking walks for exercise, we sure could use your help delivering our QUARTERLY newsletters so everyone can continue getting them. Our delivery person for the 3600 block of Buckingham St. is unable

to deliver the newsletters due to health problems. **If there is anyone that could do the delivery it would be greatly appreciated.**

A BIG THANK YOU to Gail Irby for volunteering recently to deliver the newsletters to the 3600 & 3700 Block of Amherst Street. Please contact Janis Carney, Newsletter Distribution Coordinator, at 855-1783 or at [jkcarney@cox.net](mailto:jkcarney@cox.net) if you want to volunteer your time for the community. Thank you.
